Reflection on Nationals 2023: The aim of the retro is to reflect on when went well and what didn't, and then we brainstorm on things we can do to address what didn't go well. Pre-session - Please think of a few things that went well and what did not go well Session Everyone will have some time to list what went well and what did not. Then we will take turns presenting/reading/explaining these to the group We will then group all of the items that make sense to do so. (Multiple people might raise the same things) Then we will vote on what we think are the most important things that we want to take action Time pending we will go through things (starting with the most popular) and brainstorm actions we need to take to address them (for example changing the	Nathan	https://www.figma.com/file/sN3moMxGtujC2hUCVMV6ux/Untitled?type=whiteboard&node-id=1-1860
