Description of Office Bearer Duties

Accountability of the management committee

- Deliberately fail to act in the best interests of the incorporated association.
- Abuse their powers as committee members.
- Fail to avoid conflict of interests.
- Fail to exercise due care, skill and diligence.

If a management committee does not fulfil its reporting requirements, Office of Fair Trading (OFT) may issue a show cause notice asking the incorporated association to provide reasons why its registration should not be cancelled.

Requirements applicable to all office bearers in the UWRA.

General Responsibilities of all management committee members:

The management committee is responsible for managing the affairs of an incorporated association and has several responsibilities under law.

An incorporated association management committee must:

- ensure a copy of the incorporated association's rules is available to all members
- keep public liability insurance current, if the incorporated association is required to hold any
- have a nominated address for documents to be served (this must be a physical address, not a Post Office Box)

- ensure proper accounting records are kept which correctly record and explain the transactions of the incorporated association and its financial position

- ensure an AGM is held each year within six months of the end of the incorporated association's financial year

- ensure the audited or verified financial statements of the accounts of the incorporated association are submitted to members at the AGM

- be aware of the duties of the secretary and ensure they are properly carried out
- use reasonable care and skill in the performance of their duties
- act in good faith
- advise the committee of any conflict that may arise between their own interests and the interests of the incorporated association (e.g. advise if any incorporated association activities might result in a financial gain to themselves)
- ensure any documents addressed to the incorporated association are brought to the attention of the committee as soon as practicable after receipt
- ensure documents provided to OFT or submitted to members do not contain or omit anything that make them false or misleading.

The rules of the incorporated association may set out additional obligations and specific restrictions on the power of the committee. As a result, each member of the committee should be familiar with the incorporated association's rules and any obligations under those rules.

Required Office bearers for Incorporation:

The **president** usually chairs the management committee and will also play a major role in the incorporated association's meetings.

- Under the model rules, the president is required to
- chair all meetings he/she attends.
- If the president cannot attend a meeting for any given reason, another member of the management committee can be nominated as chair.
